 NARS Contract Briefing Paper for the OW Biweekly 08.2.2020.docx

John,

Attached is the draft agenda for our biweekly with the IO. This version of the document includes the latest revisions from the Divisions and I. I am forwarding Sandra's earlier note, as part of the contracts discussion, for convenience and in the event you would like me to send these materials along with the agenda. Let me know on the latter.

Best,

Stephanie

John - Attached please find two documents for the NARS Contract discussion at the biweekly. We welcome your comments - RMS is reviewing as well. Unfortunately RMS has not been able to provide small business targets info and Danita has reached out to OSBDU to see if she can at least get OWOW info. We believe this addresses all of the areas Dave Ross mentioned that he was interested in seeing at the OD Brown Bag discussion.

Happy to walk through if helpful as well.

Sandra
